**\*NOTES:**

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

**CITY AND COUNTY OF SAN FRANCISCO  
REAL ESTATE DIVISION**

July 1, 2002

To the Honorable Mayor, Supervisors,  
Controller, and the City Administrator of the  
City and County of San Francisco:

**REAL PROPERTY OWNED BY THE  
CITY AND COUNTY OF SAN FRANCISCO**

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.\*

This edition of the Real Property Book presents our real property information in a new format. Currently this information resides on our city web page ([www.sfgov.org/realest/](http://www.sfgov.org/realest/)). I want to thank Jeff Johnson of the Department of Telecommunications and Information Services for his assistance in compiling this information.

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

Director of Property

**McLaren Park:** In February 2002, the City acquired two vacant lots adjacent to McLaren Park in Visitation Valley to preserve as open space and provide access to a public hiking trail.

**Crystal Springs Reservoir:** In June 2002, the City acquired an additional 2.5 acres of Crystal Springs watershed land in San Mateo County. This acquisition assures protection of the City's drinking water from any adverse development.

**Little Hollywood Community Park:** Little Hollywood Community Park has graced the Visitation Valley neighborhood for approximately 27 years. Its facilities include picnic tables, playground and a basketball court. Little Hollywood Community Park is comprised of approximately 57,250 square feet, which is a combination of City-owned and City-leased land. The Real Estate Division renewed the park lease in March 2002.

**Disposition of Central Freeway Parcels for the Octavia Boulevard Project:** The Real Estate Division, working in conjunction with the Mayor's Office of Economic Development, sold two parcels of the overall twenty-two Central Freeway parcels to the San Francisco Redevelopment Agency for development of affordable housing. Sale of the twenty-two parcels will fund the Octavia Boulevard Project. The sale of the two parcels contributed \$5.7 million to the Octavia Boulevard Project.

**DEFINED IN SECTION 23138 OF THE GOVERNMENT CODE OF CALIFORNIA**

Beginning at the southwest corner, being the northwest corner of San Mateo County, in the Pacific Ocean, on the extension of the northern line of T.3 S., of Mount Diablo base; thence northerly along the Pacific Coast, to its point of intersection with the westerly extension of the low water line on the northern side of the entrance to San Francisco Bay, being the southwest corner of Marin County and northwest corner of San Francisco County; thence easterly, through Point Bonita and Point Cavallo, to the most southeastern point of Angel Island, all on the line of Marin County; thence northerly, along the easterly line of Marin County, to the northwest point of Golden Rock (also known as Red Rock), being a common corner of Marin, Contra Costa, and San Francisco Counties; thence due southeast four and one-half statute miles to a point established as the corner common to Contra Costa, Alameda, and San Francisco Counties; thence southeasterly on the western line of Alameda County to a point on the north line of T.3 S, R.4 W, M.D.B. & M.; thence westerly on the township lines and an extension thereof to the place of beginning. The islands known as the Farralones (Farallons) are a part of said City and County of San Francisco.

**GOVERNMENT CODE OF CALIFORNIA – SECTION 23075:**

"In," "to," or "from" the ocean shore means a point three miles seaward from the shore. "Along," "with," "by," or "on" the ocean shore means on a line parallel with the three miles seaward from the shore.

Location of Steeple on San Francisco City Hall Dome (as per U.S.D. & G. Survey):  
North Latitude 37° 46' 45.629" Longitude 122° 25' 05.286" West.

**CITY AND COUNTY OF SAN FRANCISCO  
REAL ESTATE DIVISION**

July 1, 2003

To the Honorable Mayor, Supervisors,  
Controller, and the City Administrator of the  
City and County of San Francisco:

**REAL PROPERTY OWNED BY THE  
CITY AND COUNTY OF SAN FRANCISCO**

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.\*

The information contained in this summary report has been derived from data residing in the Real Estate Information System (REIS). The Real Estate Information System is currently being developed and is only being used by some city departments. In the near future, an active web version of REIS may be available to the public. At this time, however; similar information contained in this report can be found on the Real Estate Division's web page at [www.sfgov.org](http://www.sfgov.org).

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

SAN FRANCISCO  
PUBLIC LIBRARY

Respectfully submitted,

Steve Legnitto  
Acting Director of Property

**\*NOTES:**

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

**190 9<sup>th</sup> Street Library Acquisition: Block 3509, Lot 8A:** In November 2000, San Francisco voters passed Proposition A, a General Obligation Bond Measure to improve the San Francisco Public Library system. In addition to other projects, Proposition A included funds for relocating the Library's Technical Services Division from the Main Library in order to convert some office space into additional book and public service areas.

On November 15, 2002, the Real Estate Division purchased 190 9th Street for use by the Library's Technical Services Division. 190 9th Street is a 3 story concrete and steel building, which was completely renovated in 1999/2000 (including seismic retrofitting). The building consists of approximately 42,292 sq.ft on 17,000 sq.ft. of land. Three sides of the building has windows that allow natural light to fill the space. HVAC, operable windows, and other quality improvements were completed prior to the City's purchase. The property also includes parking spaces along Washburn Street, which will provide the Library with necessary space for truck loading and delivery facilities. Approximately 85 work stations were included in the transaction and saved the City substantial costs on furniture and moving expenses. The total purchase price for both the Real and Personal Property was \$8,560,000.

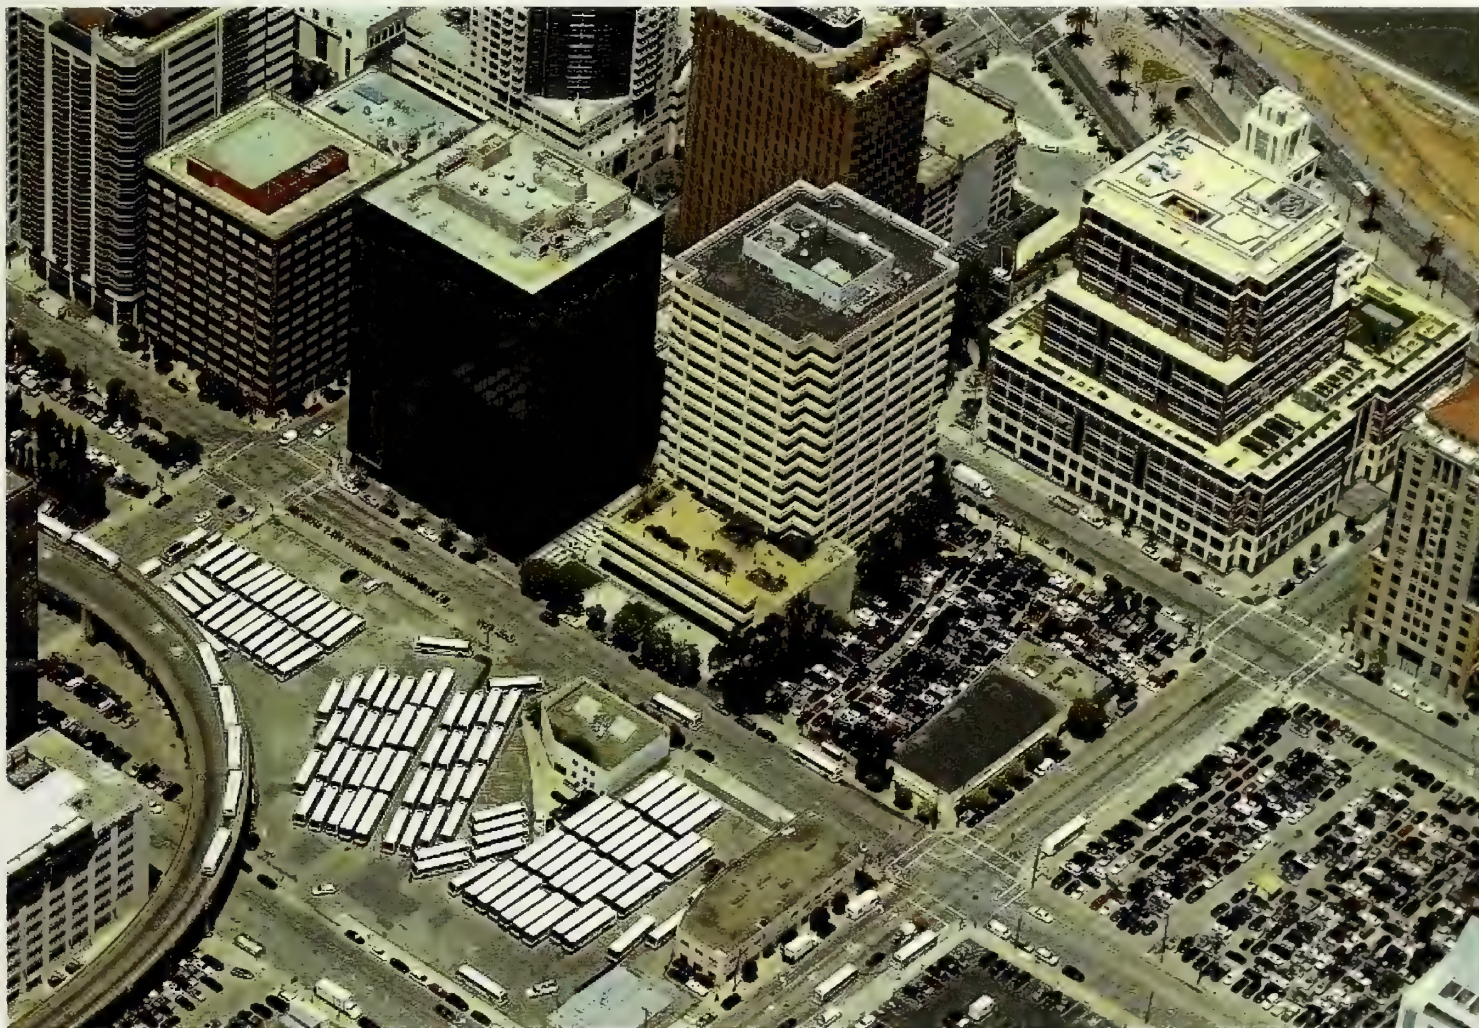

**Sale of Central Freeway Parcel D to Giannini Family Trust:** On May 16, 2003, the City closed escrow on the sale of Central Freeway Parcel D, an irregular shaped, 10,937 sq.ft. vacant parcel located near the northwest corner of Franklin and McAllister Streets, to the Giannini Family Trust for \$1,100,000. The Trust owns the adjacent property located at the northwest corner of Franklin and McAllister Streets and intends to develop the combined parcels. The sale proceeds will provide part of the funding for the Octavia Boulevard Project.

**Former Embarcadero Freeway Parcel:** Upon demolition of the Embarcadero Freeway, the State conveyed this vacant parcel consisting of 34,057 square feet to the City. In June 2003, the City sold the parcel to the San Francisco Redevelopment Agency for \$10,034,140. The property is located within the Transbay Redevelopment Survey Area, and the Agency proposes to develop the site with affordable housing.

**CITY AND COUNTY OF SAN FRANCISCO  
REAL ESTATE DIVISION**

July 1, 2004

To the Honorable Mayor, Supervisors,  
Controller, and the City Administrator of the  
City and County of San Francisco:

**REAL PROPERTY OWNED BY THE  
CITY AND COUNTY OF SAN FRANCISCO**

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.\*

The information contained in this summary report has been derived from data residing in the Real Estate Information System (REIS). The Real Estate Information System is currently being used by city departments and accessed through the city's Intranet. An active web version of similar information as contained in REIS is currently available to the public through the SF Viewer and can be found on the Real Estate Division's web page at [www.sfgov.org](http://www.sfgov.org).

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

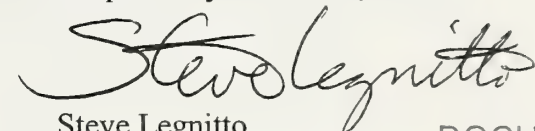

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

**\*NOTES:**

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

**850 Broderick Street: Block 1156, Lot 23:** On February 25, 2004, the Real Estate Division purchased a residential care facility located at 850 Broderick Street to house low-income people for a purchase price of \$3.1M.

**Central Freeway Land Disposition for Octavia Boulevard Project:** Caltrans completed demolition of the Central Freeway Extension, between Market St. and Oak St. in July 2003. The contract for Octavia Boulevard Project was awarded to Ghilotti Bros., contractors, and construction on the project began in March 2004. Phase 1 of the project has a completion of date of May 2005. Through the close of the 2003-2004 fiscal year, seven of the twenty-five parcels scheduled for sale have been sold for a total of \$9.16M. Revenues generated from the sale of the parcels will fund the \$25.6M Phase 1 (roadway project) and the \$19.2M Phase 2 (ancillary projects) portions of the project.

**Future Home of the Ingleside Branch Library – 1298 Ocean Avenue (Block 3199, Lot 17):** In November 2003, the City acquired a site at 1298 Ocean Avenue for the construction of a new Ingleside Branch Library. 1298 Ocean Avenue is located on the northwest corner of Plymouth and Ocean Avenue and is approximately 11,120 square feet. The selection of this site for the new Ingleside Branch Library was made with substantial community input over a 2 year period.

Funding for the purchase came from the voter approved (November 2000) bond funds (Proposition A, a General Obligation Bond Measure to renovate existing City owned branch libraries and to buy permanent locations for branches currently in leased facilities, such as the current Ingleside leased branch).

**Visitacion Valley Branch Library, 201 Leland Avenue (Block 6252, Lot 36):** In September 2003, the City acquired a site at 201 Leland Avenue for the construction of a new Visitacion Valley Branch Library.

201 Leland Ave is located on the southwest corner of Rutland and Leland Avenue and is approximately 16,637 square feet. A short term “leaseback” to the Seller, doing business as the Super Fair Market, provides the Library with income during the Library’s planning and permitting process.

Funding for the purchase came the voter approved (November 2000) bond funds (Proposition A, a General Obligation Bond Measure to renovate existing City owned branch libraries and to buy permanent locations for branches currently in leased facilities - such as the current Visitacion Valley leased branch).

**Portola Branch Library, 380 Bacon Street (Block 5983 ptn.):** In January 2004, the City acquired a site at 380 Bacon St. from the San Francisco Unified School District for the construction of a new Portola Branch Library.

380 Bacon St. is currently an under utilized portion of the Martin Luther King, Jr. Middle School and is located on the northeast corner of Goettingen St. The site is approximately 8,800 square feet . The selection of this site for the new branch was made with substantial community input over a 2 year period.

Funding for the purchase came the voter approved (November 2000) bond funds (Proposition A, a General Obligation Bond Measure to renovate existing City owned branch libraries and to buy permanent locations for branches currently in leased facilities - such as the current leased Portola branch).
